

Psychiatrist

Kalamazoo Community Mental Health & Substance Abuse Services is seeking a dynamic Psychiatrist who has experience working with individuals of diverse racial, ethnic, and cultural backgrounds. The successful candidate will perform psychiatric assessments, diagnosis, and treatment to individuals in need of specialty psychiatric services. Responsible for conducting emergency mental health evaluations to assess individual's immediate needs to assure their safety. Prepares treatment plans, coordinates, and communicates clinical decision-making with input from individuals served and other providers (i.e. case managers, PCPs) to ensure care is provided in a recovery-oriented, integrated fashion. Leads in education and awareness-building among staff throughout agency on evidence-based and emerging practices with areas of specialization.

Requires M.D. or D.O. degree and board certified as well as 3 years clinical experience with children and/or adults with mental illness and substance abuse. Computer skills, including word processing, spreadsheets, database management, e-mail necessary; experience with electronic medical record preferred. Required licenses: Valid DEA, valid Michigan Medical license and current recognized Board Certification/eligibility, current Michigan DOE and Controlled Substance certifications with a valid Michigan Motor Vehicle Operator's license.

We offer competitive compensation and fringe benefits, including medical, vision and dental insurance; disability and workers compensation insurance; paid holidays, Paid Time Off plan, continuing education, retirement plan and Deferred Compensation Plan.

Individuals of diverse racial, ethnic, and cultural backgrounds along with bilingual candidates are encouraged to apply. KCMHSAS is an equal opportunity employer that encourages diversity and inclusion among its workforce. We strive to empower people to succeed.
